

## POST TIP SHOP TOUR CREATIVE REUSE WORKSHOP

Resource Work Cooperative is committed to promoting creative and practical reuse, resourcefulness and waste minimisation in the community. We run the South Hobart Tip Shop, and we are pleased to offer creative reuse workshops for the community.

### TRASH SCULPTURE MAKING

An assortment of materials will be available with basic tools allowing students to use their imaginations to create a small sculpture.

### REQUIREMENTS:

For post Tip Shop Tour workshops Resource will provide workshop consumables and any special equipment needed. For school groups, additional teacher supervision is required.

### WORKSHOP FEE:

\$300 (exc GST) for a 90 minute workshop hosted in our Education Centre.

The fee includes workshop facilitator and materials/equipment for up to 25 students. Above 25 students and additional fees will be negotiated.

Resource Work Cooperative maintains Public Liability Insurance.

All Resource Work Cooperative workshop facilitators have a current Working with Children Check.
