

Ewaste Recycling in Hobart

Resource Work Cooperative with support from the City of Hobart accepts all Ewaste for recycling at the South Hobart Tip Shop!

Pre-processing Ewaste locally, onsite ensures:

1. Maximum re-use potential for functioning electrical goods*
2. Lower carbon miles
3. Guaranteed recycling to Australian standards of goods covered by the National Television and Computer Recycling Scheme.

Plus, it creates local jobs, and we all like jobs!

“Ewaste” Includes:

- All Computers
- Electric cables
- Laptops + Palmtops
- Phones (including smartphones)
- Tablets
- Notebooks
- Keyboards
- Mice
- Webcams
- USB's
- Modems
- Printers
- Faxes
- Scanners
- All televisions!

Just drop past our drop-off lanes at the South Hobart Tip Shop and one of our friendly workers will accept your ewaste goods!

*Resource Work Cooperative wipes all data on electronic goods for re-sale.
